

**SUN TECHNICAL SUPPLY LLC** is a privately-owned company upholding a vision of excellence. Our company structure offers the flexibility to adapt to the ever-evolving market needs and developments, quickly and efficiently providing our clientele with the highest level of commitment.

**SUN TECH'S** facility embodies the commitment to supply and render all services with precision, playing a key role in the ability to maintain our position as one of the industry leaders.

One of our main strengths is **PROJECT PACKAGE SUPPLIES** which relies upon effective project management for timely executions. Our various planning tools such as **Proper Forecasting, Contingency Plans, Benchmarking, Goal Setting** etc. have helped establish a systematic & structured approach for project execution and control.

**SUN TECH'S** technical support & quality control personnel understand our client's requirements and ascertain that all aspects of quality procedures are in compliance to ensure utmost level of satisfaction.

Backed with an astute understanding & experience in sourcing materials, **SUN TECH** has a diverse network of partners across the globe enabling us to offer best quality of equipment's available in the industry.

## **PRODUCTS & SERVICES**

### **DIESEL GENERATORS**

- Supply of LV & HV Diesel Generators (**Stationery, Trolley Mounted, Truck Mounted, Open Sets & Enclosed Sets (Containerized or with Soundproof Canopy)**)
- Generator ratings start from **15 KVA upto 2500 KVA** according to standby, prime or continuous operation cycle & site conditions
- Installation & Commissioning of Diesel Generators including Turnkey Projects
- Maintenance Services (**AMC & Breakdown Services**)
- Repairs, Refurbishment & Upgradation
- Remote Monitoring Solutions
- Long & Medium Term Power Rental Solutions

### **ENGINEERING & SUPPLIES (M.E)**

- Pumps (**Rotary Lobe Pumps, Rotary Gear Pumps, Piston Pumps, Diaphragm Pumps etc.**)
- Expansion Joints / Flexible Bellows (**Metal & Rubber**)
- Heat Exchangers (**Parallel Flow, Counter Flow, Finned & Unfinned Tubular**)
- Hydrogen Generators / Gas Compressors
- Air Pre Heaters & Spares
- Air Intake Filters & complete solutions
- Liquid Filtration
- Diverter Dampers
- Lube Oil Coolers
- Axial & Centrifugal Fans
- Electro Chlorination Plant

## ELECTRICAL & DIAGNOSTICS

- Thermal Imaging Cameras
- Transformers Supply & Services
- Vibration Analyzers
- Pipeline Monitoring Systems
- Other Diagnostic Tools
- Sensors, Cable Glands, Junctions Boxes, Distribution Boards, Cable Termination Kits

## CORROSION SOLUTIONS

- Long Term Material Preservation Solutions
- Tank Bottom Corrosion Solutions
- Hydro Testing Solutions
- Process (Oil/Gas/Water) Additives

## WORKSHOP SOLUTIONS (M.E)

- Complete Workshop Tools, Equipment & Consumables

## HSE (M.E)

- Complete range of PPE, Height Safety & Environmental related products & services

## VALVES

- Ball Valves (**Floating/Trunion Mounted/Cryogenic**)
- Gate Valves (**Forged/Cast Steel/Cast Iron/Gun Metal**)
- Globe Valves (**Forged/Cast Steel/Cast Iron/Gun Metal**)
- Check Valves (**Forged/Cast Steel/Cast Iron/Gun Metal**)
- Butterfly Valves (**Carbon Steel/Cast Steel/Ductile Iron/Double Offset/Motorized**)
- Needle Valves & Plug Valves
- Pressure Reducing Valves (**PRV's**) and Double Block & Bleed Valves (**DBB's**)
- Strainers & Actuators

## HOSE

- Petroleum Hose, Oil/Fuel Hose, Sandblast Hose, Chemical Hose, Air Hose & Braided Hose
- Material & Grade available in Natural, Neoprene, EPDM, Silicon & PVC

## TUBE

- Hydraulic Seamless Tube & Instruments Tube
- Material & Grade available in SS316/316L, MS ST37.4 & DIN2391

## HYDRAULIC CLAMPS

- Light Series (**Single, Double, Twin & Multi Port**)
- Heavy Series (**Single, Double, Twin & Multi Port**)
- Material & Grade available in MS/SS (**Top/Bottom/Bolts**)
- Polypropylene/Polyamide/Aluminum (**Refills**)

## STUD BOLTS

- ASTM A193 Grade B7 / B7M & Nuts: ASTM A194 Grade 2H/2HM, Stainless Steel, Low Temperature grades, Cadmium Plated, Galvanized or Black
- Stud Bolts can be cut in various lengths

## GASKETS

- Supplied in accordance to API 601 and available in Spiral Wound, Compressed Non Asbestos Fiber (CNAF) and Ring Joint.
- Ring Joint Gaskets are available in R, RX & BX and in Soft Iron, Cadmium plated and SS

## FLOWLINE EQUIPMENTS

- Flow Meters (**Electromagnetic Flow Meters, Ultrasonic Flow Meters, Gear Flow Meters, Turbine Flow Meters, Helical Screw Flow Meters**)
- Gas Meters (**Clamp On Gas Meter, Inline Gas Meter, Insertion Gas Meter**)
- Level Meters (**Ultrasonic Meters, Radar Type, Float Type**)
- Display & Control Devices
- Leakage Detection Equipments
- Hammer Lug Unions, Seals/Seal Kits, Fittings, Swivel Joints, Pup Joints, Cementing & Circulating Hoses, API Flanges, Studded Fittings, Christmas Trees, Manifold and Fittings

## PIPES

- Seamless Pipes with sizes from ½" and above in Carbon Steel, Stainless Steel & Alloy Steel
- Welded Pipes with sizes from 6" and above in Carbon Steel, Stainless Steel & Alloy Steel

## TUBING & CASING

- Tubing Sizes & Grades: 2 3/8" upwards in Grades J55, K55, N80
- Casing Sizes & Grades: 4 ½" upwards in Grades J55, K55, N80, L80

## FITTINGS (BUTTWELD/FORGED) & FLANGES

- Full range of Seamless & Welded Buttweld Fittings in all grades & size ranges from ½" onwards
- Full range of Forged Flanges in all grades & size ranges from ½" onwards

# SUN TECHNICAL SUPPLY LLC

## PRODUCT ORIGIN

USA, Europe, UK, Japan, Korea, India & China

## COATINGS

- Epoxy Coatings. Demit Coating, etc. Hot Dip Electro Galvanizing Cadmium Plating
- Fluorocarbon (PTFE) Coating
- 3LP Coatings

## KEY CLIENT SEGMENTS

- Oil & Gas
- Fabrication & EPC
- Power Plants
- Marine & Ship Building
- Petrochemicals
- Boiler & Heat Exchangers
- Construction
- Drilling
- Plumbing & Firefighting
- Mining

## LONG TERM AGREEMENTS

We also enter into Long Term Agreements which besides the above products also include Oilfield Consumables, Instrumentation, Electrical, Hydraulic, and Industrial & Safety Products.

At Sun Technical Supply LLC, we constantly strive to improve as well as expand our existing portfolio in order to retain our position as a valued supplier & offer our clientele with world class service at all times.

We would kindly request you to register **SUN TECHNICAL SUPPLY** in your "Approved Vendor List" and would be pleased to comply with your registration formalities.
